

ear	beard	my
fear	me	have
tear	He	You
hear	This	when

This is a tear.

I have a tear running

down my  
cheek.

You might feel fear at  
night when it is dark.

This is my ear.

I can hear with my ear.

Can you hear me?

I can hear you!

This is a beard.

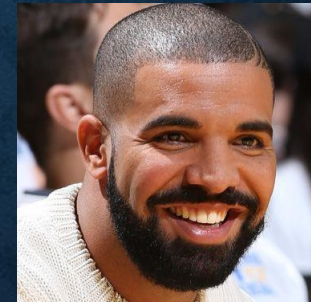

He has a beard.

He has a long beard.

He has a black beard.

He has a short beard.
