Phil and Bill have to put stuff on their van.

"I do not like this job," moans Phil.

"I wish *I* was a star!" whispers Phil.
"Humph!" groans Bill.

Jess hears Phil. She has a camera.
"I wish *my* photos were in *The Rockford Star*!"

All the little boxes are on the van.
Phil and Bill turn to their last box.
It is a whopper!

“What’s in the box?” grunts Phil.

“An elephant?”

“Humph!” groans Bill.

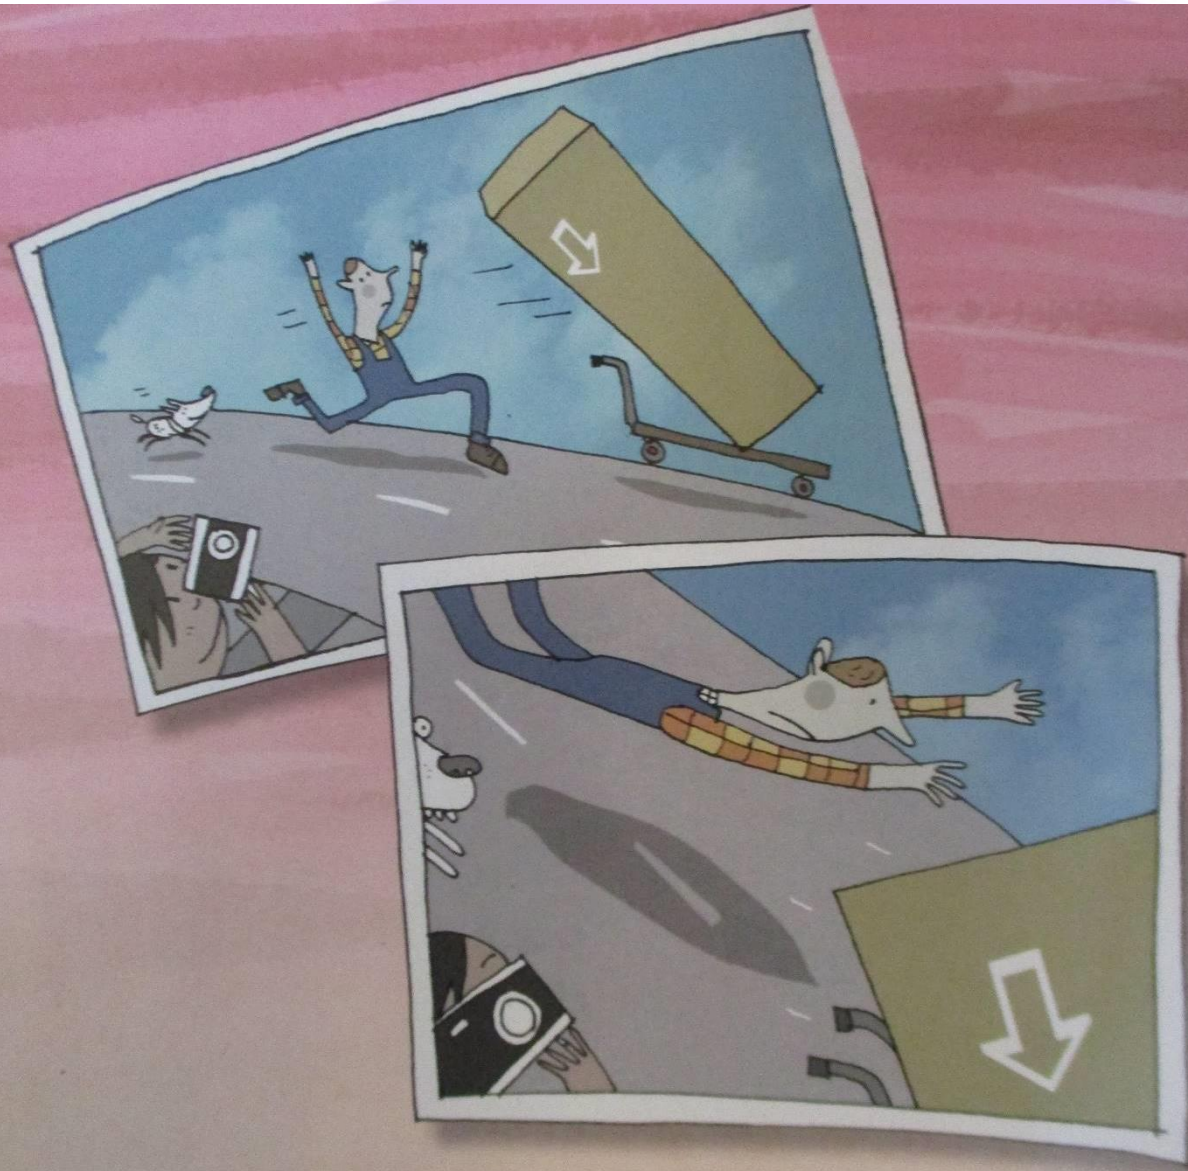

"We can push it on my wheels."

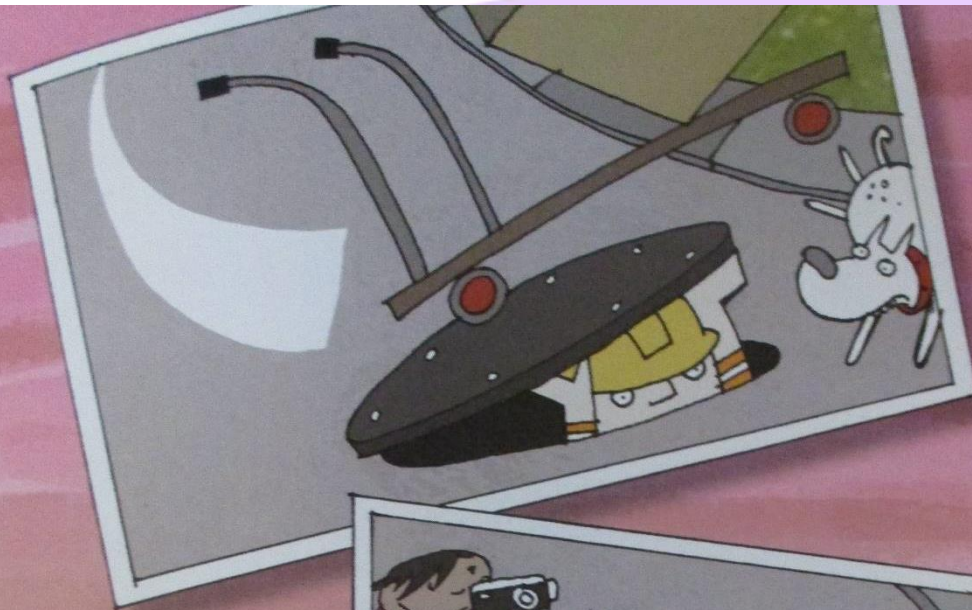

They begin to wheel the box.
But then ...

... Bill slips.
The box starts to whizz down the hill.

Phil whizzes after it.
He jumps on the box.

The box hits a ramp.
"Oh no! What now?" whimpers Phil.

Whoosh!

Whoosh!

It whizzes up in the air!

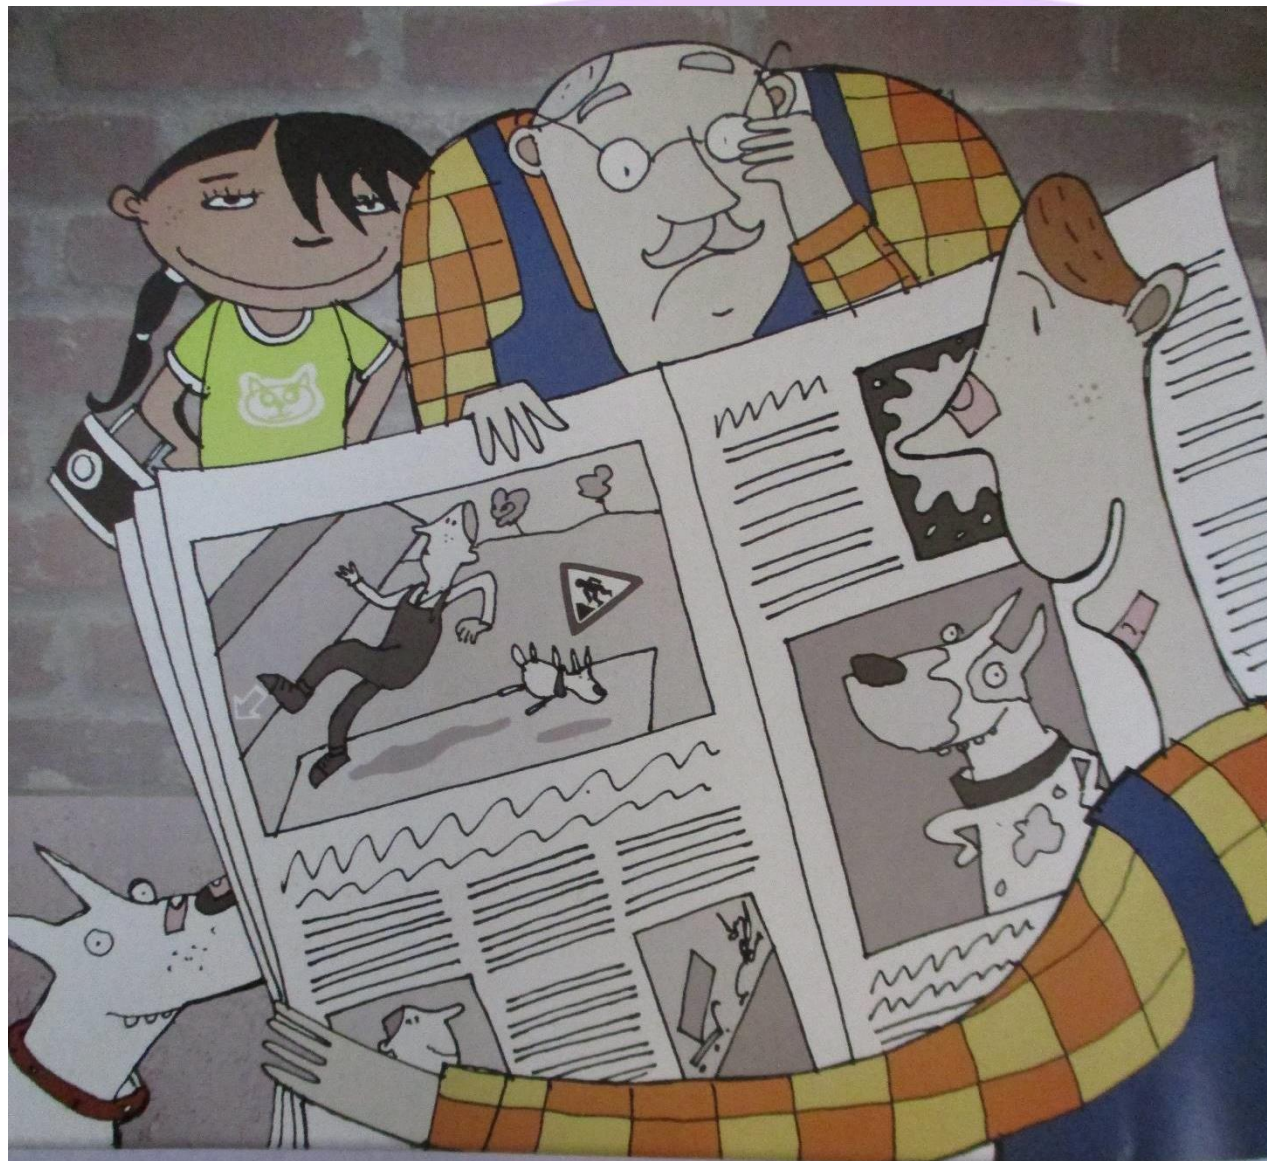

Jess gets some good shots with her camera.

The box lands with a WHAM!
Phil lands with a whimper.

The next morning, Jess has a big grin.
“Look! My photos are in *The Rockford Star!*”

Phil is glad too. "And I am a star!"
"Humph!" groans Bill.
