**I am Sid.
This is my Sid-cam.**

Join me in the
garden. It is dark.

**But I can turn on my
torch. Now we can
see.**

Let's look for things in the garden.

Can you see the lights?

Wow! It is a star ship from Mars!

Look, they will not hurt me!

Can you see that
thing lurking in the
garden?

Wow! It is a yowling
thing from Mars.

Look, it will not hurt me!

Can you see the big, prowling thing?

The big, prowling thing with the fin...

Look, the big, prowling
thing is pointing at me!

Run! It is a Nan shark from Mars!
