A little green monster comes along.

What will he do there?

**He is growling.
Growl! Growl! Growl!**

**He is howling.
Howl! Howl! Howl!**

A little green monster comes along.

What will he do there?

**He is crashing.
Crash! Crash! Crash!**

**He is thrashing.
Thrash! Thrash! Thrash!**

A little green monster comes along. He's jumping on a chair.

**He is jumping.
Jump! Jump! Jump!**

**He is thumping.
Thump! Thump! Thump!**

**A little green monster
comes along. He's
marching up the stairs.**

A little green monster comes along. What will he do there?

**He is floating.
Float! Float! Float!**

A little green monster comes along. He sniffs and sniffs the air.

A little green monster comes along. What will he do there?

**He is munching.
Munch! Munch! Munch!**

**He is crunching.
Crunch! Crunch! Crunch!**

**“What will you do
now?” I said.
He said, “BURP!”**
