Lots of eggs!

eggs

Lots of animals hatch  
from eggs.

This animal has lots of eggs on its back.

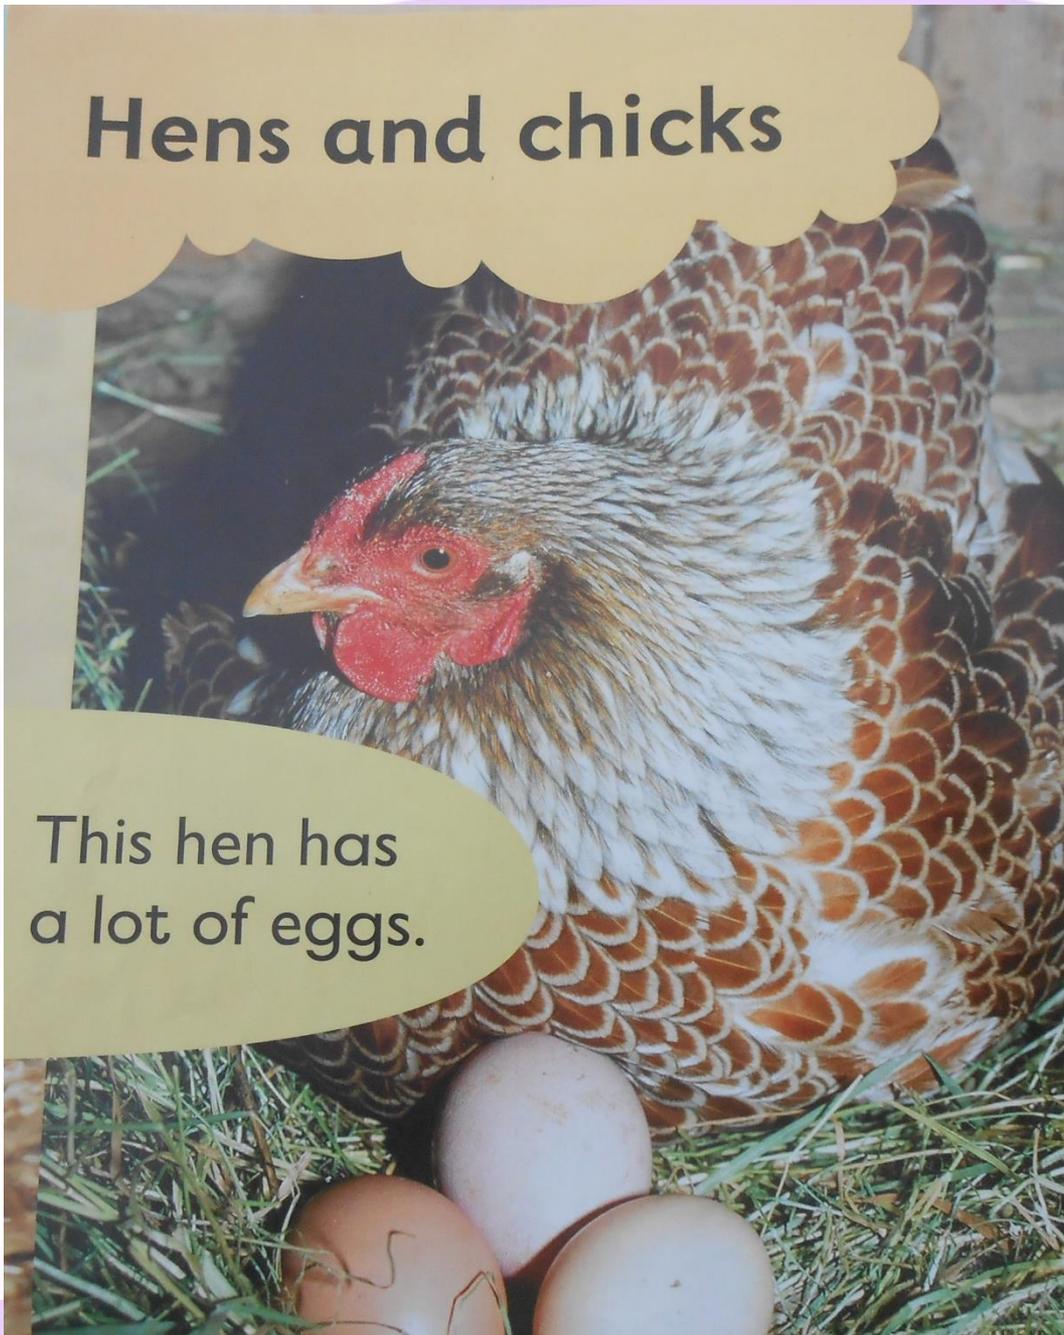

eggs

eggs

# Hens and chicks

This hen has  
a lot of eggs.

**Her chicks hatch from  
the eggs.**

**This animal has its  
eggs in a bag.**

egg sac

# Can you see all the eggs in the egg sac?

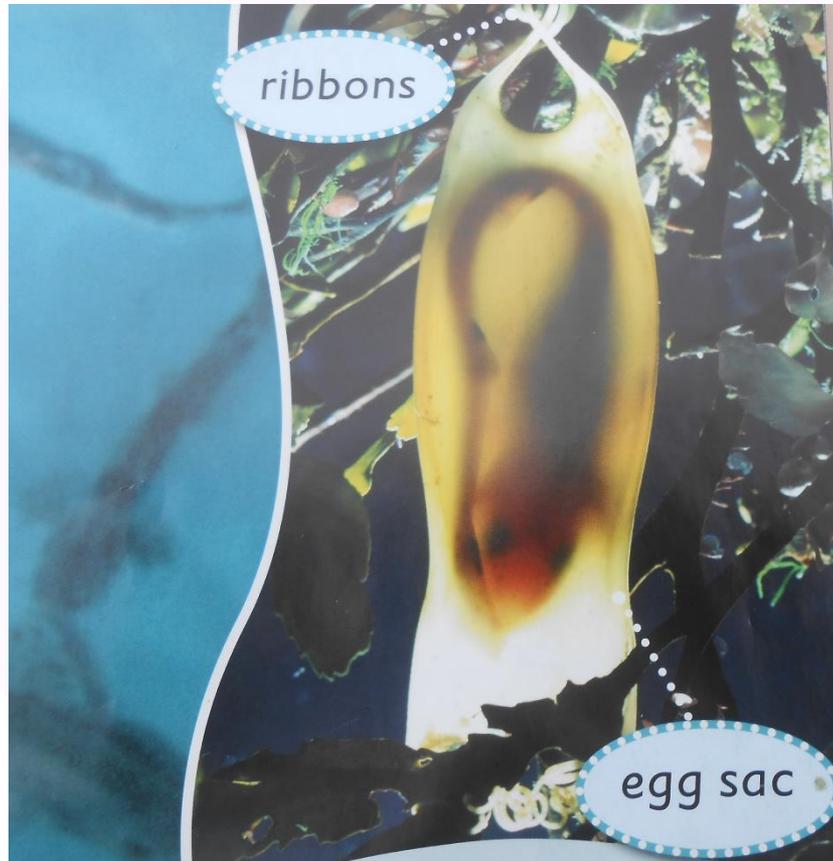

Fish eggs

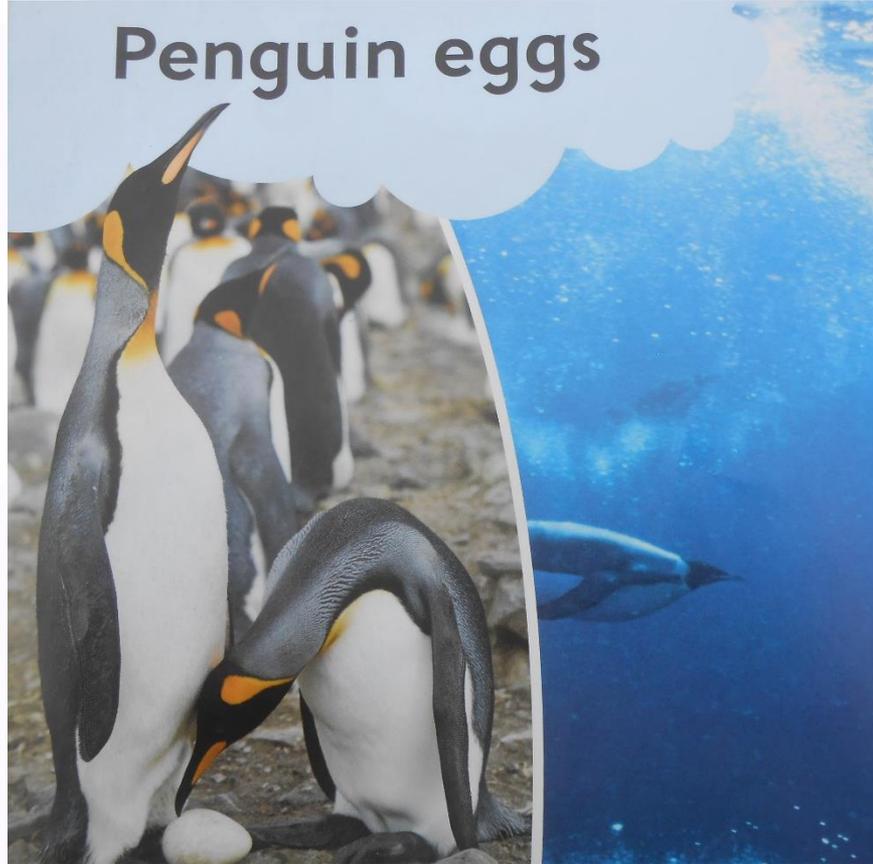

**Dogfish are born from  
a long egg sac.**

The egg sac has thin ribbons to fix it on.

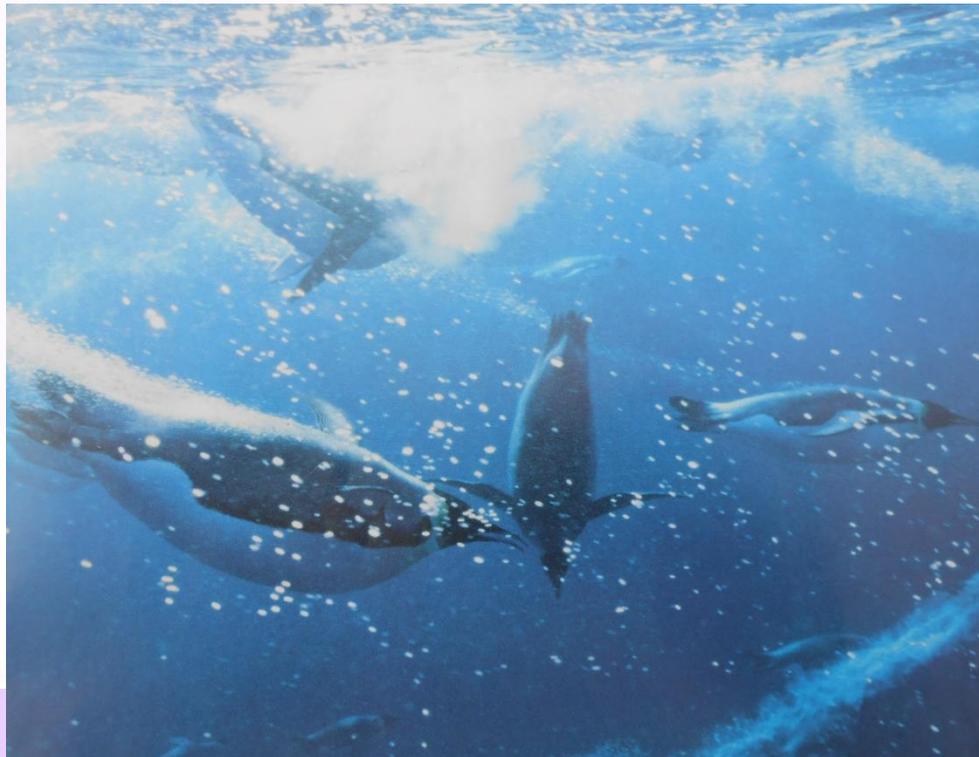

## Penguin eggs

**Mum penguin has this egg.**

**Mum penguin zips off.  
Now Dad penguin  
has the egg.**

# Squid eggs

This is a squid.

**They are squid eggs.**

# Big eggs

This is a fossil egg  
from long ago.

**Can you see the animal that had this egg?**
