

Reception Home Learning: Summer Break

'Working together to achieve success'

Dear Parents,

If you have been using the Home Learning resources each week posted on our website your child should be progressing well.

In order to give your child the best possible start in Year One it would be beneficial for you to keep certain key aspects of learning going over the Summer break.

This shouldn't be intensive or for long periods of time but if children recap the key learning (as outlined below) on a regular basis the knowledge and skills will not be lost. This is vital to ensure their progress continues and gaps do not appear over the Summer.

Phonics Key Learning

Practise recognising digraphs & trigraphs (2 or 3 letters working together):

Please use the Phase 3 Phonics Mat from the original home learning pack (also available as a separate file on the website) to recap all of the following:

qu, ch, sh, th, ng, ai, ee, or, igh, oa, oo (long & short), ar, ur, ow, oi, er, ear, air, ure

Practise blending for reading:

Reading Key Learning

Tricky Words:

Please use the Tricky Word Mat which lists the tricky words from Phase 2 – 5 (on website) or use the Tricky word mats provided in your original home learning pack. Read through these words – aim for speedy recognition – do them in list order and random order too. Aim to know up to end of Phase 4.

Phase 2 to 5 Tricky Words
