

# Mobile Phone Policy 2022/2023

'Working together to achieve success'

## Introduction and Aims

At Mossgate Primary School the welfare and well-being of our pupils is paramount. The aim of the Mobile Phone Policy is to allow users to benefit from modern communication technologies, whilst promoting safe and appropriate practice through establishing clear and robust acceptable mobile user guidelines. This is achieved through balancing protection against potential misuse with the recognition that mobile phones are effective communication tools. It is recognised that it is the enhanced functions of many mobile phones that cause the most concern, offering distractions and disruption to the working day, and which are most susceptible to misuse - including the taking and distribution of indecent images, exploitation and bullying. However, as it is difficult to detect specific usage, this policy refers to ALL mobile communication devices.

## Scope

This policy applies to all individuals who have access to personal mobile phones on site. This includes staff, volunteers, governors, children, young people, parents, carers, visitors and contractors. This list is not exhaustive. This policy should also be read in relation to the following documentation:

- Safeguarding and Child Protection Policy
- Anti-Bullying Policy
- Social Media and Social Networking Sites Policy
- Behaviour Policy
- Whistleblowing Policy
- Code of Conduct Policy
- Guidance for Safer Working Practice for those Working with Children and Young People in Education Settings (February 2022)

## Code of conduct

A code of conduct is promoted with the aim of creating a cooperative workforce, where staff work as a team, have high values and respect each other; thus, creating a strong morale and sense of commitment leading to increased productivity. Our aim is therefore that all practitioners:

- Have a clear understanding of what constitutes misuse.
- Know how to minimise risk.
- Avoid putting themselves into compromising situations which could be misinterpreted leading to possible allegations.
- Understand the need for professional boundaries and clear guidance regarding acceptable use.
- Are responsible for self-moderation of their own behaviours.
- Are aware of the importance of reporting concerns promptly.

It is fully recognised that imposing rigid regulations on the actions of others can be counterproductive. An agreement of trust is therefore promoted regarding the carrying and use of mobile phones within the setting, which is agreed to by all users:

## Staff

- Staff are not permitted to make/receive calls/texts during contact time with children.
- Staff should have their phones on silent or switched off and out of sight (e.g. in a drawer, handbag or pocket) during class time.

Our mission:

'Working together to achieve success'

- As active and healthy **individuals** who are inquisitive, have the belief to try new things and manage risks safely.
- As resilient, confident and independent **learners** who strive to achieve their best.
- As **honest, courteous** and **kind friends** who **respect** and value difference and have the **courage** to challenge discrimination.
- As active and **responsible** and **respectful citizens** who have a positive impact within their school, community and wider world.

- Mobile phones should not be used in a space where children are present (eg. classroom, corridors, school hall, playground etc). When children are not in the building, before breakfast club and after extra-curricular clubs, they can be used in classrooms etc.
- Should there be exceptional circumstances, e.g. acutely sick relative, then staff should make the Headteacher aware of this. The Headteacher will advise what the person must do.
- Every class has an iPad so that videos and photos can be taken of children.
- Staff are only permitted to use their personal devices when this has been authorised by the headteacher, for example on a school trip. When a personal device is used, the photo or video must be taken in a public place with other children or staff members present. The staff member must download the files onto the school server and delete as soon as they return to school.
- Staff should report any usage of mobile devices that causes them concern to the Headteacher, a Designated Safeguarding Lead, senior leader or follow the procedures set out in the Whistleblowing Policy.

## **Pupils**

We recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. However, we also recognise that they can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore:

- If in the rare event of a parent wishing for his/her child to bring a mobile phone to school to contact the parent after school:
- Pupils are not permitted to have mobile phones at school unless they have completed a Mobile Phone Permission Agreement.
- Pupils **MUST** go straight to the school office to hand in their phone. They cannot be inside the school building with a mobile phone.
- The phone must be switched off and handed in to the school office first thing in the morning and collected from them by the child at home time (the phone is left at the owner's own risk).
- Mobile phones brought to school without permission will be confiscated and returned in line with the school's behaviour policy.
- Where mobile phones are used in or out of school to bully or intimidate others, then the headteacher does have the power to investigate and take action – see Anti-Bullying Policy.

## **Volunteers, Visitors, Governors and Contractors**

All volunteers, visitors, governors and contractors are expected to follow our mobile phone policy as it relates to staff whilst on the premises. On arrival, such visitors will be informed of our expectations around the use of mobile phones.

## **Parents**

While we would prefer parents not to use their mobile phones while on the school site, we recognise that this would be impossible to regulate and that many parents see their phones as essential means of communication at all times. We therefore ask that parents' usage of mobile phones, whilst on the school site is courteous and appropriate to the school environment. We also allow parents to photograph or video school events such as shows or sports day using their mobile phones, but insist that parents do not publish images (e.g. on social networking sites) that include any children other than their own.

## **Dissemination**

The mobile phone policy will be shared with staff and volunteers as part of their induction. It will also be available to parents via the school office and website.
