### Activity 1: Read the Jessie & Friends storybook and make a storyboard!

- Read Jessie & Friends: Playing Games: The Storybook with your child <u>https://www.thinkuknow.co.uk/parents/jessie-and-friends-videos/</u>. You can access the storybooks by scrolling to the end of the page where you will find the PDF links.
- Support your child to create their own story-board. Take a sheet of blank paper and help your child fold it three times. Open the paper up again. There should now be eight squares on the paper. Label the squares from one to eight.
- Read the captions below with your child and help them number them to show what order they go in.
- Your child can then write the captions in the correct order, one at the bottom of each square on the storyboard, leaving space for a picture illustrating the caption above each one. Or if your child prefers, they can choose to only draw a picture in each square without the written caption, or only write the caption without a picture (but they may like to add some decoration to the square!)
- We'd love to see your storyboards! If you like, find us on Facebook (Click CEOP) and share a photo of your child's design. Story-boards only please. Do not share your child's name or any pictures of your child.

### Activity 2: Design your own Super-Hero!

- It's time for your child to create their own super-hero avatar, like Jessie's, Tia's and Mo's in the Avelzon game. There are lots of ways they could do this for example, drawing, painting or collage... .or why not find some spare clothes/items around the house to make their own super-hero costume?
- Jessie, Tia and Mo's 'Power Words' are 'Strong', 'Fearless' and 'Wise'. Ask your child to think of all the positive qualities they would like their super hero to have, and then ask them to choose a Power Word for their own super hero.

#### About Thinkuknow

Thinkuknow is the online safety education programme from the National Crime Agency. Once a fortnight, on Tuesdays, we will produce an activity sheet to help you support your child while schools are partially closed.

You'll find lots of support and advice for parents and carers on keeping your child safe online at <u>www.thinkuknow.co.uk/parents/</u>.
